**SUBJECT: REQUEST FOR 4-WEEKS INDUSTRIAL TRAINING OF B.TECH 1st/2nd/3rd YEAR STUDENTS**

Sir,

Greetings from GNDEC, Ludhiana.

Guru Nanak Dev Engineering College has emerged as one of the most prestigious engineering institute of North India over the 64 years of its inception and is conducting B.Tech. in seven disciplines as well as M.Tech., MBA and PhD. for meeting the research requirement of the technical field.

Since practical training is equal in importance to theoretical foundation, the course curriculum is so designed that the students get exposure to practical aspects of their respective engineering branch. We are in a process of enrolling the students of our institute to various Industrial Organizations for **INDUSTRIAL TRAINING (4 WEEKS)** which is an essential component of their degree programme.

The programme will be as under:

- To get familiar with the setup and working of the organisation.
- Working on the given project , 2<sup>nd</sup> week onwards.
- Submission of Final Report.
- Submission of Daily Diary at the end of training.

We recommend our graduating student

Mr./Ms. Gaganjot Kaur

to undergo 4 weeks Industrial training at your esteemed organization starting from June, 2025

We would highly appreciate it if the student can be accommodated for the training programme. Our students are sincere and hard working and we are sure that they will put in their best efforts during the training program. Looking for confirmation from your side.

Yours Sincerely

Prof. G.S. Sodhi  
Training & Placement Officer
